Dear Aaron:

We'll be looking forward to seeing you next Monday-Tuesday. A tax-exemption and receipt form is enclosed: it will be needed to reimburse you for transportation.

Monday evening, from about 6+ PM, we may be at a departmental Xmas party, which is nothing but a very informal dinner, and some minor entertainment. If you would be amenable to attending, and can take a noon train from Chicago, let us know to make a dinner reservation for you. Otherwise, if we should not be at home when you arrive (phone 5-5289), we may be at the Kennedy Manor, 6-2332. If you will tell us what train to meet, we will arrange to do so. If you have any trouble finding us, a taxi cab deliver you either to the lab. or home; you can make yourself at home either place, and we will look for you. Sorry to make things so complicated, but I hadn't realized this dinner was coming up, and next week is far and away the best time for your lecture.

The "phage meeting" was quite good, but tiring. I hope we will be refreshed again well before your visit.

Sinc.
